each campus individually and applied to the outstanding accounts receivable balance at fiscal year-end. In addition, the Allowance for Doubtful Accounts should be updated at fiscal year-end to reflect the estimated uncollectible amounts based on the calculation.

V. Write-Offs of Uncollectable Accounts

While routinely executing collection procedures, some receivables will be determined to be uncollectible. Accounts deemed uncollectible must be submitted to the Chief Fiscal Officer of the State (Arkansas Department of Finance and Administration) for abatement pursuant to Arkansas Code Ann. § 19-2-306.

The State's Chief Fiscal Officer will notify the University in writing when the request for abatement is approved. Upon approval from the State, the balance owed will be removed from the debtor's account; however, the administrative and academic records of the student or other debtor will continue to reflect a default status. In addition, for unpaid student balances, to the extent permitted by law, financial holds will be placed on the release of academic transcripts and records and the registration of classes.
